Re: Robert Copeland

Dear Sir or Madam:

I have had the privilege of knowing and working alongside Robert Copeland for almost a decade. He has proven himself to be hard working, loyal, and a consummate professional. Whenever Rob lead my production my crew I knew that everything would be executed flawlessly. His attention to detail and his vast knowledge of the special event industry truly make him a valuable asset to any company he joins forces with.

Please feel free to contact me if you would like to discuss this further. I appreciate your time and consideration.

Many thanks,
